Uinta Basin Replacement Project Big Sand Wash Reservoir Enlargement
DOGM Permit for Myrin Pit

To Whom It May Concern,

W.W. Clyde/Obayashi J.V. is in the process of getting a bond for the Myrin pit as per both the DOGM permit and the requirement of Duchesne County. Through our discussions with Paul Baker, he had indicated that we could post our bond with Duchesne County just as we have done for the Giles pit.

Please let us know if this acceptable. I can be reached at 1-801-372-0447.

Sincerely,

Clark D. Prothero, P.E.
